

FAQs

How are we getting there?

We will be traveling by charter boat. The boat trip is approximately 2 hours.

Where will I be sleeping?

You will be in cabins that sleep approximately twelve.

Do I need to bring bedding?

Yes, sleeping bags and pillow or if you prefer, sheets and blankets. Make sure you bring enough to keep you warm!

Are there showers?

Yes, each cabin has a bathroom.

What clothing do I need to bring?

Check the weather and make sure to bring enough clothing – appropriate for rain and shine. Refer to the Gear list.

How much baggage can I bring?

As much as you can carry! We will have a short walk from where the boat docks to the camp and you will be carrying all your baggage so we ask you to pack economically. Please have all your bedding etc. in a bag so that it is easy to carry and it should be well labelled!

Will there be a lot of good food?

Absolutely! We have a kosher caterer cooking for the retreat and we will make sure that the food is filling and that snacks are available throughout the day. Remember to let us know of any dietary restrictions/requirements and to bring a water bottle labelled with your name.

Can I bring snacks?

It is not necessary as an ample supply of snacks will be provided. The camp is peanut-free and also asks that no food be kept in the cabins as it attracts the animals living in surrounding areas.

Do I have to do an activity that scares me?

One of the goals of the retreat is to shake our comfort zones, so the facilitators will encourage you to try but you will not be forced to do it.

What happens if it rains?

Come rain or shine we will be outside for a large part of the day! Only if there is dangerous weather will we come inside where we will be able to do fun indoor activities.

Will we have any free time?

There is so much to do, each day will be filled with activities but there will still be time for new and old friends.

Can I bring electronics?

Cell phone reception is limited at the campsite. Please feel free to bring cameras/videos to take photos of activities outside your cabin. Electronic devices should not be taken to activities.
